VIRGIN TERRITORY

READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

Sexy Sophia

Dear Virgin Territory,

I enjoyed your Vol. 22 No. 2 quite a bit. What made it noteworthy was the variety of teen babes. You had small-chested brunettes like Violet, Zoe, Lucie and Asian Elle. Elle also had a bush—something we don't see too often anymore. Lily's creampie was so hot. And the blondes were spectacular, with April doing anal, Cali looking cute as ever and Sophia looking so delectable. I must say that Sophia was my favorite girl in the issue. I can't resist a pretty face and a nice, juicy pair of tits.

Something I would have liked to see with Sophia are the full-body shots of her just standing there. Every pictorial should include some photos like that so we can admire the girl from head to toe. I may be in the minority with this, but I also prefer the girl to not insert her fingers in her

Guys are going gaga over Sophia's juicy rack and her hourglass figure.

pussy. If she is going to put anything in there, let it be a cock. Otherwise, let it breathe and let us readers enjoy it fully exposed.

Other than that, I enjoyed looking at Sophia's photos and look forward to seeing her in hardcore. She looks like the kind of girl who might do anal. Will we be so lucky? I hope so.
—R.K., Chula Vista, California

Dear R.K.,

Sophia did not shoot anal with us, but you can see her hardcore pictorial in this issue starting on page 88.

Tainted Love

Dear Virgin Territory,

Your 18eighteen magazine of young ladies is terrific, and I look forward to receiving my copy every two months. It's a pity it isn't published every individual month, as it used to be. I wanted to tell you about one of my interests, which you can share with your readers. I am fascinated by the range of distances between a girl's vaginal and anal openings. This separating piece of skin (usually quite taut and shiny) can vary from half an inch to more than two inches in length, and there is no way to predict what it will be in any individual girl. The color of this strip of skin is usually pink, irrespective of the color of the young lady's vaginal lips and her anus—both of which can be highly colored. When the two openings are very close together, then this can lead to some mistakes during

One reader shares his affinity for the body part known as the 'taint.'

sex, whereas with a larger demarcation there are usually no unintentional consequences. One disadvantage of a close proximity is that a girl may suffer from frequent urinary tract infections, whereas a useful advantage of a close co-location means that it's easy to switch between vaginal and anal sex in any position. When the two openings are quite far apart, then it can make for a more comfortable double penetration for a girl, rather than having an "over-full" sensation when the openings are close together. In any event, these openings are two lovely ports of pleasure that every girl has, and I love them all.—I., London, England

Dear I.,

Here in the states we call that the 'taint,' although the medical term for it is perineum. Thank you for sharing this

unique interest with us. We hope you enjoy the photo on page five of one of our models measuring her taint.

Violet's Purple Bud

Dear Virgin Territory,

I'm obsessed with Violet's butt-hole. I would love to snuggle up between those white, fleshy cheeks of hers and tongue away at her tight starfish. There's just something about

seeing a fat ass that makes me want to toss some salad. Yeah, her face is cute, and so are her little tits. But that butthole is calling my name. The way she spreads her cheeks makes me salivate. She knows what she's doing—making our mouths water and our cocks harden. I would lay her down flat on her stomach, have her open her cheeks the way she is on page 21, and go to town on that pretty, little pucker. I'd give her a rimjob that'd make her cum. And after she has her first anal orgasm (I'm assuming, but let's just pretend), I would slide a finger in and show her true ecstasy. I can only imagine how her sphincter would clamp down on my finger as I buried it in her ass, and all the juice that would flow from her slit as I simultaneously licked her pussy. Fellas, take note.

This is the real way to woo a lady! I promise that she will be ready for anything after a proper rimming and anal fingering. I hope the stud you paired Violet with was smart enough to pay proper attention to her lovely starfish.—E.N., Toledo, Ohio

Dear E.N.,

Violet is a little shy about having her butthole explored, but we're sure she would love it if it were done the way you've described. Most girls just need someone with the right experience to turn them on to ass play.

April's Anal Education

Dear Virgin Territory,

April's anal pictorial is just what the doctor ordered. After seeing this blonde minx ass-stuffed to the max, I ordered *Anal Education* just so I could see her scene. I'm eagerly awaiting its arrival and will share my thoughts once I've had time to "process" the movie. I love the plot line of her using her mom's buttplug and then fucking her mom's boyfriend. So naughty! The jeweled buttplug was a nice touch. I enjoyed seeing it sparkling in her tush as she was bent over and sucking cock. Once she gets to the anal, she really manages to take that guy deep in the centerfold photo. He's nearly balls-deep inside of her, which is impressive for a teen girl. I know some

women twice her age who couldn't handle that. She must be using mom's buttplug more than she lets on!

And thank you for that cum shot. I love a girl who will get down on her knees and suck her ass juices off a cock until it sprays her mouth full of cum. I have a feeling that April is going places. One day when she's a famous porn star, I'll remember her naughty anal start in *18eighteen* magazine.—A.V., Memphis, Tennessee

Dear A.V.,

Please do share your thoughts on Anal Education once you've seen it. In the meantime, enjoy the bonus photo of April on page six.

Tits Not Tats

Dear Virgin Territory,

Elle from your Vol. 22 No. 2 issue is an interesting case. She is an absolutely adorable Asian babe, and the fact that she is flexible and can do splits is a major turn-on. Her bush is also very sexy. However, her tattoo is quite distracting. I'm not a fan of tattoos, especially not such prominent ones. Although she can do whatever she wants with her body, I wish she hadn't gotten that tattoo. It's not even easy to hide as it's right smack in the middle of her chest. Luckily

there are so many good things about Elle to distract us from that tattoo. I enjoyed her cute, little ass and juicy pussy. I get turned on thinking about how she can bend up like a pretzel during sex. But there's only so much of the tattoo that I can deal with. I know tattoos are getting more and more popular, and it's not as easy to find girls without tattoos anymore. But please do your best to pick girls who don't have any ink.—F., Newark, New Jersey

Dear F.,

We know many of readers don't like tattoos, but as you pointed out, Elle's tattoo is not easy to hide. She has a hardcore pictorial that starts on page 54 of this issue, and we did our best to choose photos that would make readers happy. But tattoo or not, we can all agree that Elle is a sexy teen model.

Creampied Cutie

Dear Virgin Territory,

Lily is fuckin' hot. I'm glad you finally showed a girl getting a creampie! Pumping a fresh, tight, 18-year-old pussy full of cum really is the best feeling. I can't imagine how amazing it would feel to creampie Lily. She looked so sexy taking that cock in a variety of positions. I jacked my dick raw and came twice to her

Emily: Lil' Sucker

Emily is just too old to be sucking on her thumb.

But she can't seem to quit! Maybe she needs to find something else to suck on. Mr. Vegas offers his finger, and after previewing her oral skills he gives Emily his cock. She inhales it, sucking him from base to tip and licking his balls. You can watch the XXX video online at 18eighteen.com.

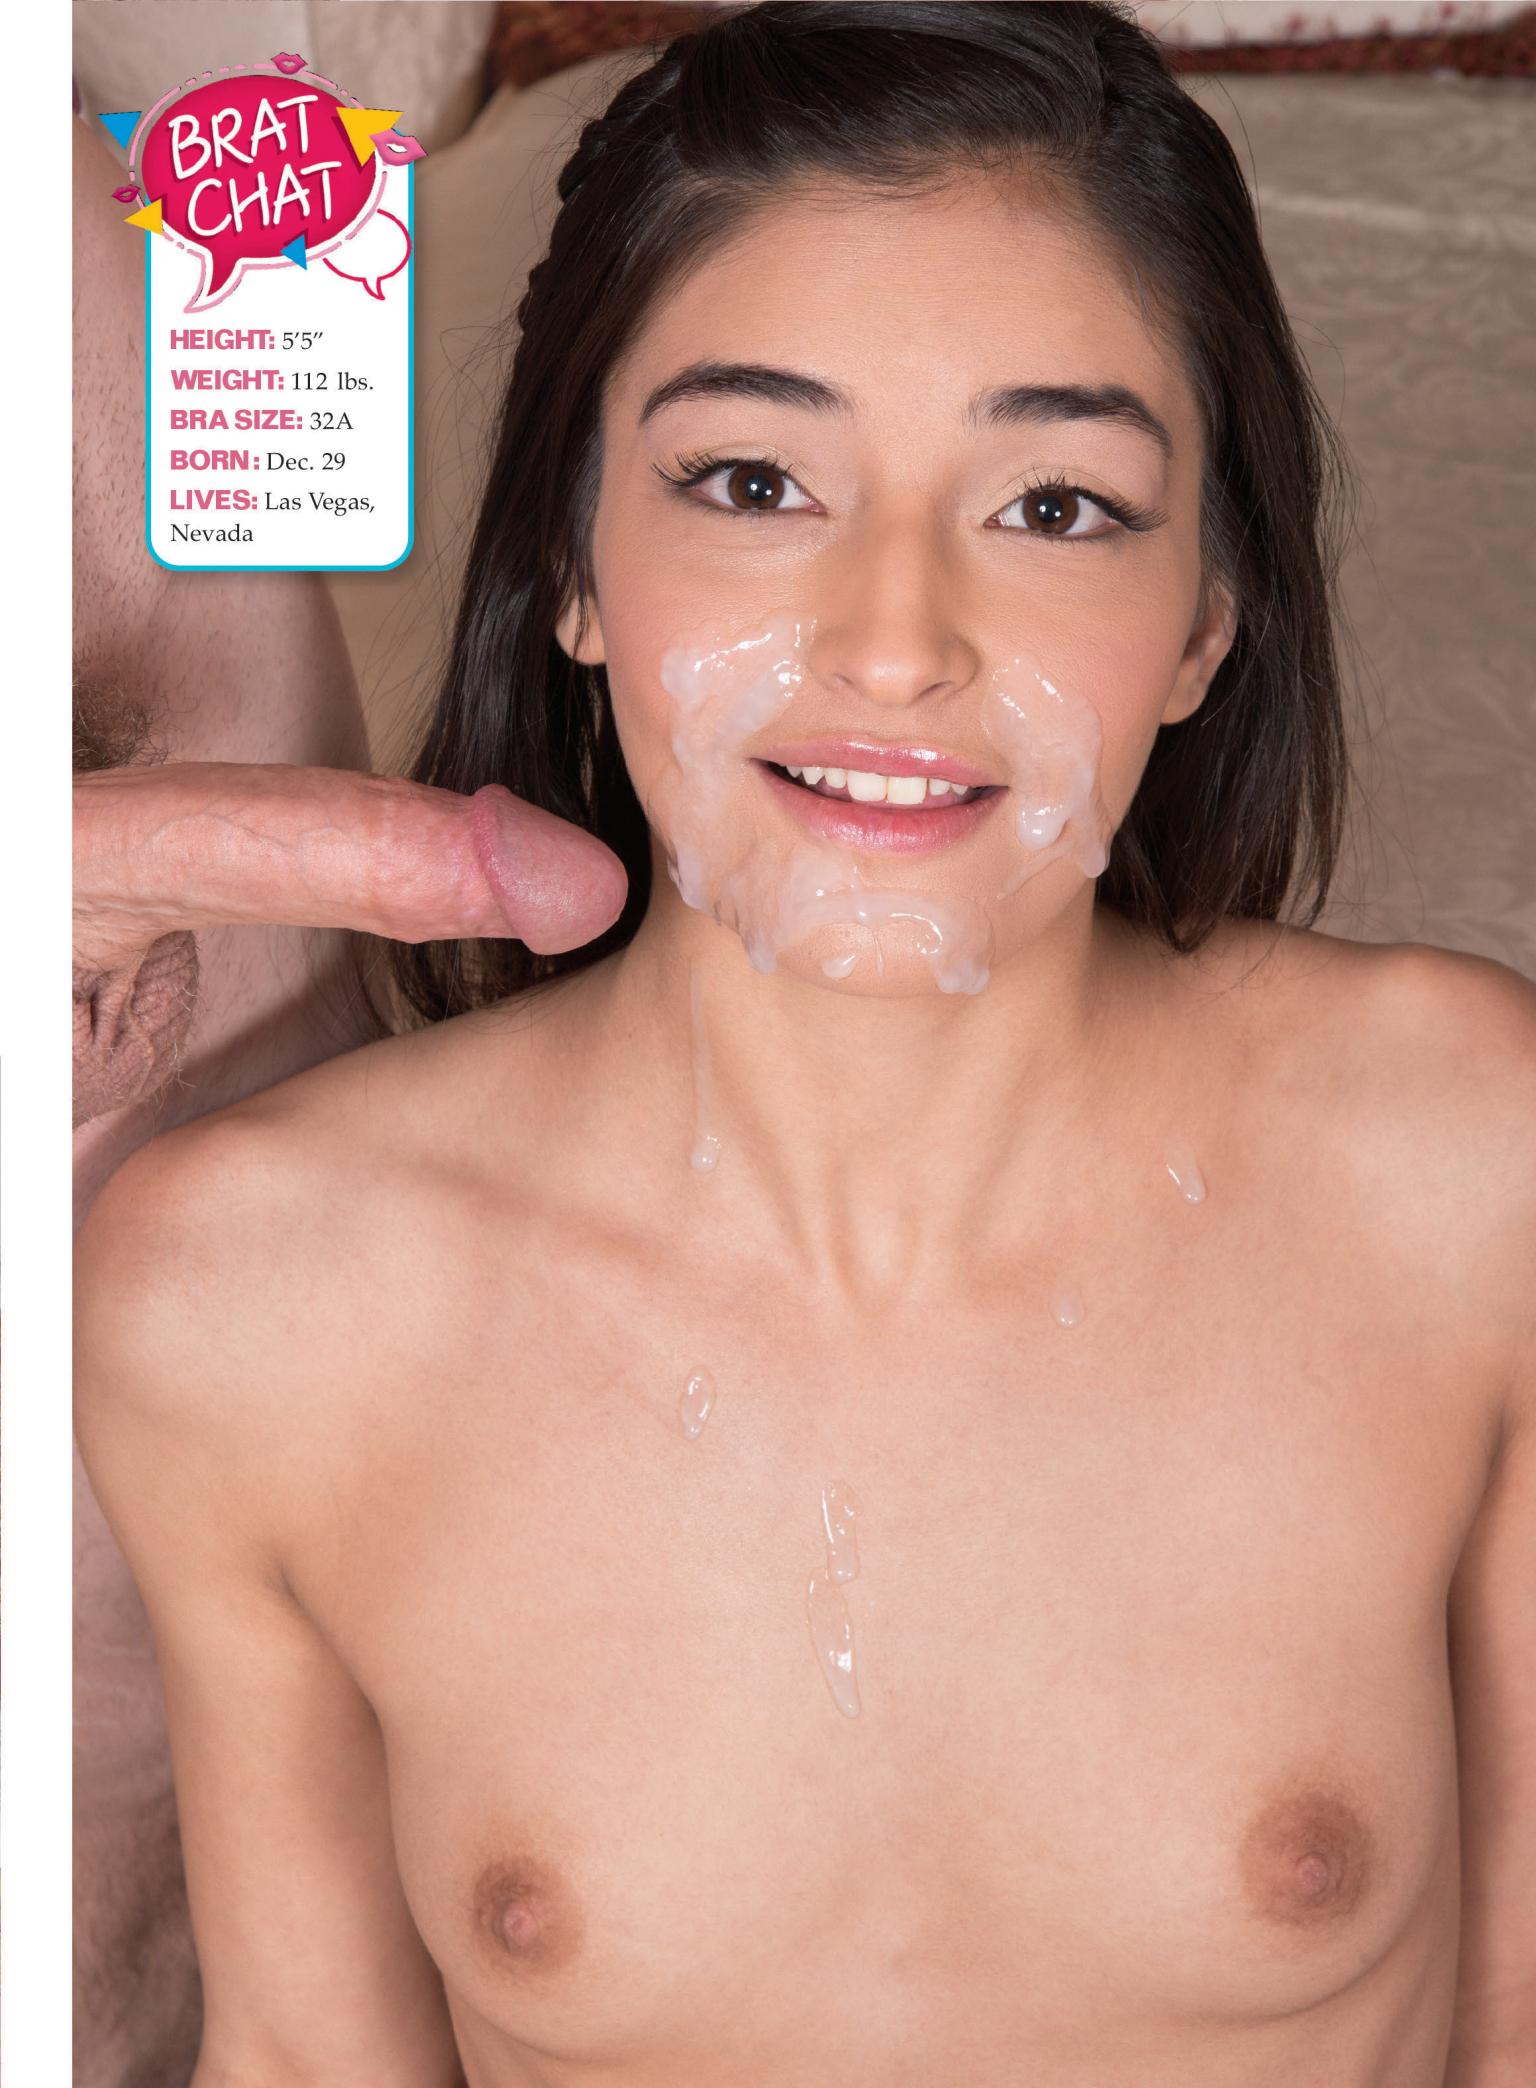

Emily doesn't just suck. She fucks, too.

Emily takes his cock in her pussy, and the fucking is hot and heavy from the get-go. Her twat juice spreads all around her butthole, leaving it glistening. And she loves it when Mr. Vegas's balls slap her ass as he pounds her while she's on top. "After the fucking he gave me, I was happy to take his load!"

Natalie: Bedtime Snack

Here's a sweet treat you can eat in bed.

This cute sex kitten is Natalie, and she never goes to bed with a hungry tummy...or a hungry pussy. "I have a hard time sleeping through the night. I toss and turn and wake up. Then I'm super groggy in the morning. But if I masturbate before bed, I sleep like a rock! And the more orgasms I have, the better I sleep and the more refreshed I am in the morning. I usually go for two orgasms."

Does sex before bed have the same effect?

"Yes! I pass out so hard after sex! But that's harder to do since I live at home and my parents are not cool with me having sleepovers with boys. I would love a cock before bed, but I have to settle for my hand for now!"

Do you ever stay up late masturbating?

"No, because I get really sleepy after cumming one or two times. My orgasms are super intense and my whole body shakes. It just wipes me out. Once I start masturbating, I know I'll be asleep in 15 minutes because that's how long it takes me to cum."

Being 18 and all by herself was intimidating enough, but, at the nude beach for the first time? Liv was starting to question her decision big time. But she wanted a perfectly even tan. If her friends wouldn't come with her, so what? Maybe she'd get lucky and a sexy guy would find a way to make sure she was...

Covered in Goo

By Joe Monks

"Ma'am? Two dollars."

Liv jerked back to reality. Up ahead were sand dunes. Further out, she could see the ocean. Directly in front of her, though, was the sign. The one she'd been staring at. The blue arrow pointing right, to Public Beach Parking. The green one pointing left, to Cape Hollow Nude Beach.

"Ma'am? Everything okay?"

"Oh, sorry! Just, you know, thinking about my tan."

He smiled and handed back her change, the bar rising to let her through. She hesitated, then turned left, following the green arrow.

Ma'am still echoed in her head. No one had ever called her that before. Did being 18 qualify you as a ma'am? Or did having a new ID showing you were now old enough to get onto a nude beach do it?

Liv didn't care. She rolled into a spot and grabbed her tote and sunglasses, leaving her car behind in a huff. She was still mad at her friends. Her birthday beach day? That had been part of the plan. Being here alone, though, hadn't. When she'd first brought up the idea of going to the nude beach to her three closest gal pals, they'd all been on board. "Suuuuuuuure," Katie had said.

She'd love to go. A couple days later, though, she'd backed out. Margaret had too, which Liv couldn't understand. Mags had a smoking hot body and big boobs. Liv envied her. She was barely a B. Mags, though, was a full C on the verge of D and still growing. Her tits looked freaking amazing. Not only that, she went out of her way to wear the skimpiest outfits imaginable. She had a mini skirt she wore when they went dancing at the teen clubs that was more of a belt than a skirt. And bloomers? Half of the time she didn't wear any. Liv had seen Maggie's pussy so many times she felt like an honorary lesbian! But Tanya...Tanya bailing on her just that morning? That had been the last straw. She'd offered to hang out with her for her birthday, but Liv had no interest in mall-hopping.

She'd been dreaming about this for way too long. Having to go by herself because her

friends all chickened out? Only made her want to go more.

Now that she was here, though...it felt a little weird. Two women carried canvas chairs and a mini cooler toward the dunes, both of them topless. No guys in sight, not at the moment at least, but still, she felt uneasy. Tightening her grip on the beach bag, she took a deep breath, and strolled toward the dunes, beyond which she heard the waves rolling in. Or was that just the rolling in her stomach?

Skin. *Lots* of skin. It shouldn't have surprised her, being a nude beach and all, but still... Everywhere she looked were boobs and butts.

And, a lot more.

Instantly, she felt uncomfortable. It wasn't that anyone was staring at her, or even paying attention, but she couldn't help it. She stopped walking and just stood there, frozen.

"Over there, darling."

The woman beside her pointed. She was about 40. Not in bad shape, not in great shape. Reminded her a little bit of her mom. Liv followed her eyes. A few yards away were about a dozen small, one-and-two person changing cabanas. The woman winked at her.

"I was a first-timer too, once upon a time," she said, before strolling off to join a man, who waved. Liv forced a smile and waved back, then turned and all but ran for the little tents.

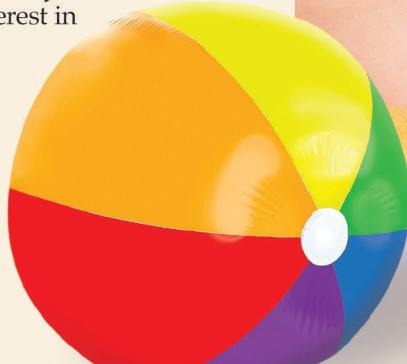

How did they do it, she wondered. Just walk around naked and talk to people like they were standing in line at McDonald's? Damn...maybe her friends had been right.

"Hello?"

Okay, she thought. *Good. No reply.* She poked her head in.

"Oh, howdy. Be done in a minute," the cabana's occupant, a blazing hot

30something said. "Mind giving a girl a hand?"

The woman faced her, holding out her sunscreen lotion. She had a heck of a set of knockers, practically sticking them in Liv's face. Feeling trapped, Liv took the tube. The woman was glistening from head to toe, save for the middle of her back, which Liv oiled up generously.

"I'd go heavy," the woman recommended, using an index finger to tweak her nipple. "You don't want to burn 'em. Your boyfriend won't be able to suck 'em for a week!"

"I, I'll tell him," Liv stammered, backing out of the cabana and hurrying down the line. Well, there was

towels and unfolding chairs. A guy was stretched out on a towel not twenty feet away, laying beside a boom box, tanning a *very* hot back-side. Unlike her, no one out there seemed uncomfortable. A girl walked by talking on her cell phone, wearing nothing but sandals. Here and there, some girls wore bikini bottoms, but mostly they were suitless. Another guy and a male friend jogged past. *That* made Liv gulp.

She busted out her lotion, smearing it all over her bare boobs...

one promise she wouldn't need to keep. Boyfriend? Hah. Maybe something Ms. Strip Club Body had to worry about. Liz? Not exactly on the same page there, either.

Why was she even here? Why hadn't she listened to her friends?

She ducked into an empty cabana and let go of her bag, dropping onto her butt in a near-panic. What was she going to do? Everything was falling apart. *Turned on?* Hah! So much for that part of her fantasy. Not only wasn't she excited to be here, she felt as dry as the sand.

Go home, she told herself. This isn't for you. You're out of your league.

But...she'd waited so long. It couldn't really be this bad, could it?

She peeked out of the tent. A group of people a little older than her were in the water, batting around a beach ball. A couple were spreading

Time to choose, she decided. Coward or not?

Her top went into the bag. Then her shorts. Last, her unfortunately still-dry panties. She busted out her lotion, smearing it all over her bare boobs and pale skin. She remembered what the scorch in the first cabana had told her, and squeezed huge dollops of cum-like oil onto her buds, leaving it thick. Greasy as a webcam girl, she regarded herself. *Not bad.*

"Now or never," she said, and determined, picked up her bag and stepped onto the sand.

She scoped out a spot not far from the shore. The sound of the tide helped calm her down, but still, her heart was hammering. A girl squealed. One of the volleyballers. *Good god, Liv wondered, gaping, unable to help herself. How did a girl*

with boobs *that* big manage to jump that high?

Don't stare, don't stare, don't stare... Oh my god, those things were huge! Hey.

Liv jumped. Her towel dropped to the sand in a ball. The guy laughed. "My bad. Here, let me."

Liv didn't say anything, she just let the naked guy spot her towel. He looked up, waiting for her verdict.

"Th-thanks," she managed, trying not to stare at his dick. It wasn't hard—his cock, that was—although trying *not* to look at it sure presented some difficulties. Had she gotten a look at this guy's package walking around town, she and Megan would've spent all night texting about how they wished they could've gotten a look at it without jeans and jockeys in the way. But here? Here she didn't have to worry about that, and it was making things twice as difficult!

"Haven't been here in a while, huh?" he asked, giving her a quick once over. *Hey!* She wondered. How come he could do that and she couldn't? Plus, she'd never been here. So what was he getting at? Then, it hit her. The naked guy chatting her up had been here before. It was obvious, considering his tan. His all-over tan. Liv, on the other hand, looked like she'd spent the last few months in a cave.

"First time, actually," she confessed, trying to play it cool. Giving him a quick once-over. Looking away, trying to pretend she hadn't even noticed his cock. His huge cock. For the first time, Liv started to think she'd won. That it had been her friends who'd lost out.

"Yeah, I was pretty sure."

Well, so much for that. It had been that obvious. Liv considered her options. Towels weren't that expensive. If she just turned and fled with her bag, she could buy another one on the way home.

"C'mon," he said, taking her hand. Liv's fledgling moist spot didn't disappear after all.

"Let's swim a little. You'll get plenty of sun!"

They hit the surf, the water gorgeous. She learned his name was Rick, and he was indeed a regular. Spent two weekends a month on Cape Hollow during the summer, the

Melody: Pillow Talk

Melody is one precocious teen!

Most of the teens we talk to are sexually curious but somewhat shy. Melody is unique in that she knows exactly what she wants and isn't afraid to go for it. "When I'm horny everyone will know. I go crazy for cock. I have sex basically every day. My boyfriend and I are pretty sex-crazed human beings."

What sexually satisfies you the best?

"Being on my knees on all fours and having the guy pull my arms straight behind me and use them as leverage to pound into me from the back. Or when my hands are tied behind my back and he holds them with one hand to fuck me while the other hand is gently around my neck or pulling my hair up. It makes me feel dominated, which I love."

What is your favorite position, Melody?

"Doggie-style or whatever his favorite is. I'm super submissive so any position that he has full access to do what he wants with me is cool. I love to ride, but being held down by my man just feels so good in a way I can't fully describe. Like, I beg him to hold me down and fuck me sometimes. It makes me cum so hard."

Slits in the Sun

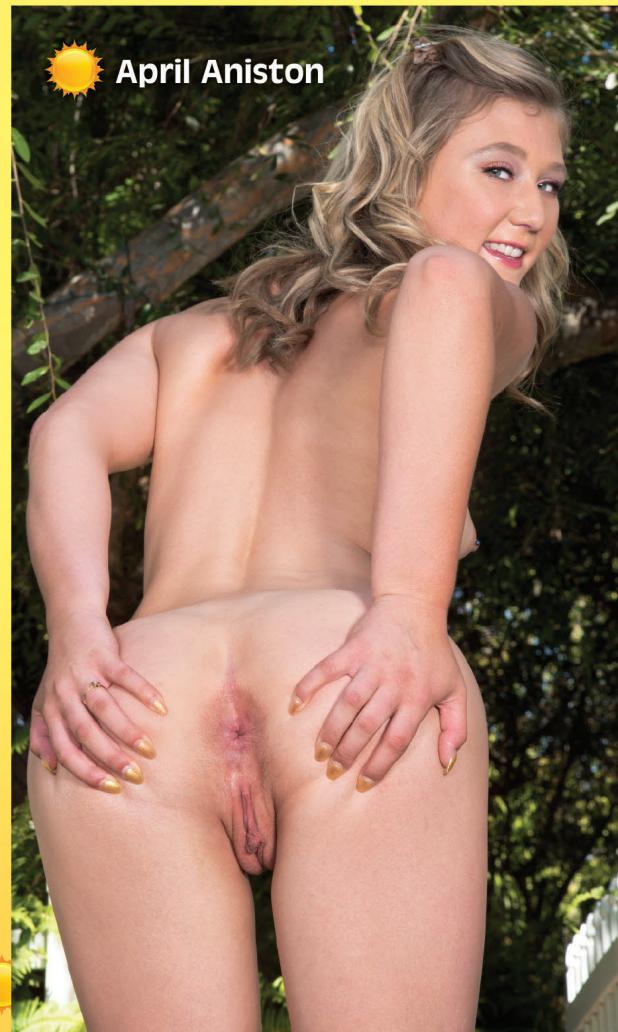

Alessandra Jane

**It's a wet, hot, sticky
summer for these
18eighteen cuties!**

 Elsa Jean Kasey Warner April Aniston

It's summertime and the cumming's easy! The sun is out, the weather is hot and that makes these teens want to take off all their clothes and feel the breeze on their tits and slits. Elsa and Kasey put on poolside pussy shows. April spreads her cheeks during an anal-play picnic. Brooke gets locked out, so she tinkles outside and then plays with her pussy behind the bushes. But not all the girls are simply tanning their twats. Some of them are even so bold as to fuck outdoors, like Jessie, who gets her cunny stuffed in a cabana.

Brooke Lynn

Jessie Andrews

Jessi's view of the bay is beautiful. But the view of her fat ass spread open while she rides a cock is even better. The outdoor sex continues with JC and her slim, sun-kissed body sliding up and down a stiff pole. Brooke is enjoying the weather so much that she takes off her string bikini and spreads her hairy pussy on the backyard deck. And Jojo's oiled-up body glistens nicely in the sun. These girls all take advantage of the weather and flaunt their tight figures while it's still hot out.

 Jessi Rogers

Fucking in or by a pool is a summer break right of passage, one that Brooke happily experiences. Could someone catch her? Maybe. Does she care? Hell no! Bonnie also doesn't care if someone catches her showing off her butthole in her backyard. In fact, the idea of someone watching turns her on. And we're not sure how Sasha went from washing a car to fucking, but we're here for it!

 **Sasha Bleu**

Kyler: Cream-Filled Coochie

It's no-pull-out day for Kyler!

In the video of this scene, JMac is horny for some action. Kyler tells him her pussy is still sore from the last time they fucked. JMac says he can make it feel better with his special cream.

"What's a creampie?" she asks. JMac is happy to show her. You can watch the XXX video online at 18eighteen.com.

**Tiny girls surprise
you with the cocks
they can take.**

Kyler gets tossed around in some fun positions where we get clear views of JMac's cock thrusting in and out of her pussy like a piston. Kyler is so tiny that his cock looks like it's half her size, but she manages to take his full length with no problems.

How did you like getting creampied?

"I was a little nervous because I never did that with anyone, but it was way better than having him pull out. I love swallowing and getting facials. But nothing tops having an orgasm at the same time as a guy and getting my pussy filled with cum."

Elle: Study Her Flatties

Elle is learning to embrace being flat.

Elle stuffs her bra because she thinks she'll be hotter with bigger tits, but the only thing that needs stuffing is her pussy. Her study buddy comes over and things get hot and heavy. He tosses the tissue in her bra aside and sucks on Elle's tiny brown nips. Then he makes his way down to her fuzzy pussy and puckered butthole.

Elle, why did you think you needed to stuff your bra?

"I just wanted to feel sexy and womanly and impress my crush. Turns out he likes my little tits just the way they are. All I needed to feel sexy was his hard cock in my mouth and pussy! Once he was pounding me, any insecurity I had about my flat chest melted away." You can watch the video of Elle getting fucked every which way at 18eighteen.com.

**Elle is just right
in every way.**

Her tiny tits are sexy, and her pussy is the perfect balance of fuzzy and smooth. While her twat lips are dark purple, Elle's hole is bright pink—which makes for an erotic contrast, especially as we see this guy's cock thrusting in and out of her rosy honeypot. "This was way better than studying. And getting his load on my face was the perfect ending to our fuck session."

other two at a beach up the coast a ways, working for his dad. He'd never seen her before, he told her, finishing up with, "And believe me, I would have noticed."

The water helped. Waist-high, she didn't have to pretend she was wearing a neck brace in order to keep from stealing glances at his crotch. Impossible not to do when he was

floating on his back, though, which he enjoyed doing quite a bit.

Liv struggled to remain nonchalant. Her pussy was dripping, though. She wished she'd brought along her own beach ball. She would have put it between her legs and ridden it hard, grinding it against her clitoris. If she didn't get off soon, she thought, things were going to get rough.

Rick snuck up behind her, tossing her into the air to avoid a huge wave. That was her chance. She let herself sink to the bottom, allowing her a few seconds to diddle her throbbing but-

ton. It wasn't nearly enough, but, better than nothing.

Except that now, she really needed to cum, and she couldn't imagine pulling that off while Rick was there. The cabana, though.... That was the answer. She had to get back there.

Rick swept her up in his arms, lifting her out of the water. Something that was not his hand brushed against her butt cheek. She put her arms around his neck, letting him cradle her, completely exposed, only her ass in the tide.

"It's definitely comin' in," he observed, another wave crashing between her thighs. Liv trembled, the warm water flooding over her oily twat. There might not be a boy in the picture to use his mouth on her down there, but she sure wasn't going a week without playing with herself!

"You want to keep swimming?" he asked, giving her a look. "Or head up to the hotel, maybe wash the salt off?"

That was definitely his cock. She couldn't see it, but the tip was tucked deep between her cheeks. His thumb had found a spot to rub just inside her thigh, close to her oozing pussy.

"Or," he continued, bouncing her up and down with the next wave. "We could stay out here a little longer. I don't think all your lotion's gone yet."

Another bounce. His hard-on bottoming out in her ass crack. No more than an inch from her butthole, and barely further from her sweet spot. His thumb, now touching her outer folds...

"Hotel sounds great!" she exclaimed, jumping at the opportunity. Finally! Someone else was going to have to be uncomfortable. No one on shore was going to notice her, no matter how glistening her pink was. But Rick? She had no idea how he planned to walk up the beach swinging that thing, much less all the way to the hotel. Maybe on their way back, she thought, she could hang her tote bag on him.

It didn't come to that. Instead, Rick shifted her so that she was facing him, and slowly, let her slide down his body, her legs circling his hips, his huge erection trailing between her pubes.

"You all right?" he asked. "I didn't...surprise you, did I?"

With that, a gentle nudge. His turgid prick probed her entryway, the only thing preventing him from burying his length into her box was the space between them and the water.

His turgid prick
probed her
entryway.

Liv exhaled.

"Liv?"

Damn, he was good. By leaning close to see if she was all right, he'd just stuffed three inches of man bone up her twat, the sensation so overwhelming it brought tears to her eyes.

"You're awfully quiet," he teased, giving her the gentlest peck on the lips. Beneath the waterline, though, he was deep as a dildo in her, and still had more to go.

"You are so mean!" she hissed. Nearby, the volleyballers were packing it in. The afternoon sun was starting to set, more and more couples abandoning the sea.

"No!" he denied in mock protest. "Me? Never!"

And, with *Never*, he pulled her down his shaft to the balls, stretching Liv's tight, teen cunt more than she had ever felt before. He sunk down a bit to keep their actions less obvious. She kissed him, hard, and she could imagine it looking like a couple in the surf, just making out. A hug and a passionate kiss, nothing more. Meanwhile, Rick thrust savagely into her snatch, making her whimper.

She bit his ear, and he pawed her ass, another wave slamming into her back, driving her back down his prick. Sea foam landed on her cheeks. The hint of salt on her lips made her crave a mouthful of something more. Another wave rolled in, this one nearly tipping them over. Rick held her steady, but they both laughed at the near miss. It was time to head in.

In a minute or two.

The room was fabulous. Fifth floor, looking out over the dunes, the bed big enough to have a foursome on. And, getting up here hadn't been that bad. Rick had somehow managed to tame his beast before they stepped out of the surf, and they'd walked with dozens of others up to the hotel's back patio, where a blues trio were rocking out, nude and semi-nude beach-combers enjoying drinks. Walking past the front desk, Liv didn't feel awkward at all. Rick nodded at people he knew as they passed, complete strangers smiled at her and most of them simply made eye contact. Not everyone, of course, but no one gawked or made her feel funny. Everyone just appreciated each other, no matter what you looked like. By the time they got off the elevator, Liv

was holding the tote in front of her, but only to conceal the trails running down her thighs.

The shower felt incredible. Rick rinsed the sand off her, then worked up a thick lather he spread all over her body. In the mirror, Liv watched herself like she was staring at someone else, Rick's hands working over her small breasts, paying special attention to her swollen nips.

"Your boyfriend won't be able to suck them for a week!"

Liv remembered the warning, and wouldn't have cared had her nips been burned out there. Rick's mouth found them after the showerhead had blasted away the suds, Liv fondling her partner's pole as it returned to its former state of agitation.

"In me!" she gasped, leaning back. "Fuck me right now!"

Lather hanging off his nuts, Rick obliged, driving his cock into her fun-hole, Liv squealing due to the force of it. She hadn't been lying. She climaxed before Rick had even settled into a rhythm, her twat clamping down around his pecker like she was hanging off a mountain.

Liv was tight, she knew it. One of

Tanya's toys—one Katie and Maggie had both recommended—was uncomfortable. Certainly nothing to be upset about, she had thought. The guys were all about tight! But Rick...His thrusts were turning her insides to jelly. Her shoulders banged against the tile as she counted down. *Three...two...one...*

Orgasms two and three came back-to-back, Rick hammering her cunt like this was the last sex he was ever going to get.

Orgasms two and three came back-to-back, Rick hammering her cunt like this was the last sex he was ever going to get. Liv gulped air, digging her nails into his back. For the first time, she wasn't sure she could handle any more.

She was willing to try, though.

He backed off a little, grinning at her. Pushing her hair out of her eyes while she caught up.

"You good for a couple more?"

Liv had no clue what he meant. A couple more minutes or a couple

more orgasms. She nodded, though, since she didn't care. A couple more? Fuck yeah!

He didn't pull out. Instead, he simply stepped over the edge of the tub, carried her to the bed, and rolled on top of her, drawing another cry. He'd hit a spot so deep inside her she didn't even know it was there!

"K-keep going," she told him. "I'm good. Do me 'til you jizz!"

Rick pumped her box full of man meat, the huge bed thumping with the ferocity of the fuck.

He has to cum soon, she thought. Didn't he? She'd lost track of how many times she'd gone over the top, but Rick.... She couldn't wait to see what it was like when he busted his nut. She pictured an oceanlike wave of semen crashing over her.

She howled, back arched, thigh muscles sore from tension. She dragged her fingernails down his chest, urging him on.

"Ungh! Come on, babe. Unload on me. I want it. I want you to shoot all over me. My thighs...my boobs...my face. I want to swim in your cum!"

"Get ready. I'm not gonna last

Little Lolli is part of the lippy ladies league!

Lolli may only be 5'1" and weigh 95 lbs, but not everything on her is small. Inside her cotton panties, she's hiding a pair of long, pink, pliable labia. "My clit is really sensitive, but so are my pussy lips. Sometimes I like to stroke them before I start playing with my clit, and that alone is enough to get me dripping wet and soak my panties."

What turns you on?

"I'm very submissive, so I need a guy who is more aggressive. One of my fantasies is for a guy to grab me, press me up against a wall and start kissing me rough, and then fuck me right there. I like it when they give me directions and tell me what to do, and I love it when they toss me around in whatever position they want me in, like I'm their little fuckdoll."

Ali has a sweet tooth that she indulges frequently. Sometimes that means eating candy. Sometimes it means rubbing her pussy with a lollipop until she's wet and licking her sweet juices off it. And sometimes it means licking another girl's juicy pussy. This girl loves her treats.

Ali, are you bisexual?

"Yes. I have a girlfriend and we have a very kinky relationship. One time she handcuffed me to a pole and ate me out. Another time we were fooling around outside on a picnic bench and got the cops called on us. She's the more dominant one, and I go along with whatever she says."

How do you feel about sex with guys?

"It's fun. I like big cocks, and I like it when they pound me in doggie-style. My favorite is when we can get another girl in the mix. Then I have everything I want: a pussy to eat and a cock to fuck me hard. I also cum so much when the girl licks my clit while the guy is fucking me. More people means more pleasure!"

Luna: 'Butt Horny'

Luna gets a special kind of horny.

Most girls get horny in their pussy. Their clits throb and their slits get wet. Luna experiences that, along with something else. "I get horny in my butt! I know how good anal play feels, and sometimes I just crave something stretching out my ass. My pussy is tight and sensitive, and my butthole is even more so!"

How did you learn that you like butt stuff?

"Just regular exploration. I masturbate a lot. Constantly. I'll even play with myself when I'm bored in an Uber ride. Eventually that led me to my butt, and I was like, this feels pretty good! So I started experimenting with buttplugs and I fell in love. Now I'm totally on the anal bandwagon!"

much longer."

Easy for him to say. His insides weren't being churned like butter.

Still, eventually, she felt it. She could tell. His rhythm changed. His jaw tightened, and he hung his head, building up to it. Liv's ankles, locked behind Rick's back, parted. She grasped the sheets, soggy from girl cream soaking them.

"Do it!" she cried. "Cum for me!"

He erupted, ejaculating onto her belly, streams of hot jizz striking her face. Her jaw dropped, amazed at the volume of ball butter he spewed. A spurt hit the pillow, missing her entirely. Another wad caught her under the chin.

She grabbed his dick, jacking him furiously. Cum rained down on her. She cupped her hand over his cock, transferring the fistful of jizz into her mouth, sucking her fingers dry.

Rick collapsed onto her, their flesh pressed together, cum squelching between them. She giggled.

"What about next weekend?" he asked, kissing her semen-free cheek.

"I'll come back here any time!"

"No. Not here. Rourke Beach. The private one I told you about."

"Ooh," she mused, thinking about it. That was a three hour drive. Hmnnn...That would mean an overnight stay.

"You can definitely get a room?" she asked.

"What do you mean? Of course."

"Still," she said. "Who knows how busy it's going to be?"

He stared at her, then smirked. Then started to laugh.

"What?" she demanded.

"I told you. Two weekends here, two up the coast. Working for my dad. Want to get a suite?"

"A suite? Just for the two of us?"

"Well, it offers a lot of places to do, you know...fun stuff. Plus, you can feel free to bring some friends. I mean, if they're into nude beaches."

Friends. A suite. All weekend. In his dad's hotel. Liv's slit tingled.

Maybe this time, she thought, her friends wouldn't chicken out. Once she told them how her day had turned out? A suite? She was pretty sure they'd need every bit of it.
